

DONOR COMPENSATION

The amounts below are estimates. Your compensation may vary based on your circumstances.

STANDARD COMPENSATION

First time donor's base compensation	\$9,000
Second time donor's base compensation	\$11,000

VARIABLE COMPENSATION

Donor attending or received degree from four-year college or university	\$3,000
Donor who has received a Masters or PhD	\$3,000
Attended an elite university (elite universities defined by Intend Egg Donors)	\$3,000
Additional compensation per cycle with Intend Egg Donors for returning donors (cycles 3 – 6)	\$1,000

COVERED TRAVEL EXPENSES

Intended parents will pay for travel expenses associated with the egg donation process. If you are required to travel for screening and/or medical appointments, approved travel expenses which may include mileage, airfare, parking, lodging, and meals will be covered.

INSURANCE

The intended parents provide the donor with egg donor insurance. This insurance covers medical expenses resulting from medical complications that may occur related to egg donation.

MEDICAL AND PSYCHOLOGICAL SCREENING AND MEDICAL PROCEDURES

All of the donor's medical and psychological screenings and medical procedures are paid for by the intended parents.

ATTORNEY FEES

The donor's attorney fees for review of the egg donation contract is paid for by the intended parents.
